

EUROPEAN TOUCH™

### CLEAN TOUCH ASSEMBLY

*Clean Touch Assembly should not be pressed into place!*

*This will break the assembly!*

## REMOVING & INSTALLING CLEAN TOUCH COMPONENTS

*“Can be as easy as using one finger”*

Removing the clean touch components from the spa

Please note that the longer nose of the Clean Touch Assembly with the arrow above, is pointing away from the drain and towards the footrests.

To **remove** the Clean Touch Assembly, move the longer nose in the direction as shown.

Reattaching the clean touch components into the spa

To **install** the Clean Touch Assembly place as shown above with the arrow pointing away from the drain.

Secure into place by pressing the nose of the Clean Touch Assembly in the direction as shown.
