

Forte' Spa™

with one arm open with trays, manicurist stool & pedicurist chair

DEFINED SPACE SHOWN INDICATES MINIMUM SPACE REQUIRED

Notes:

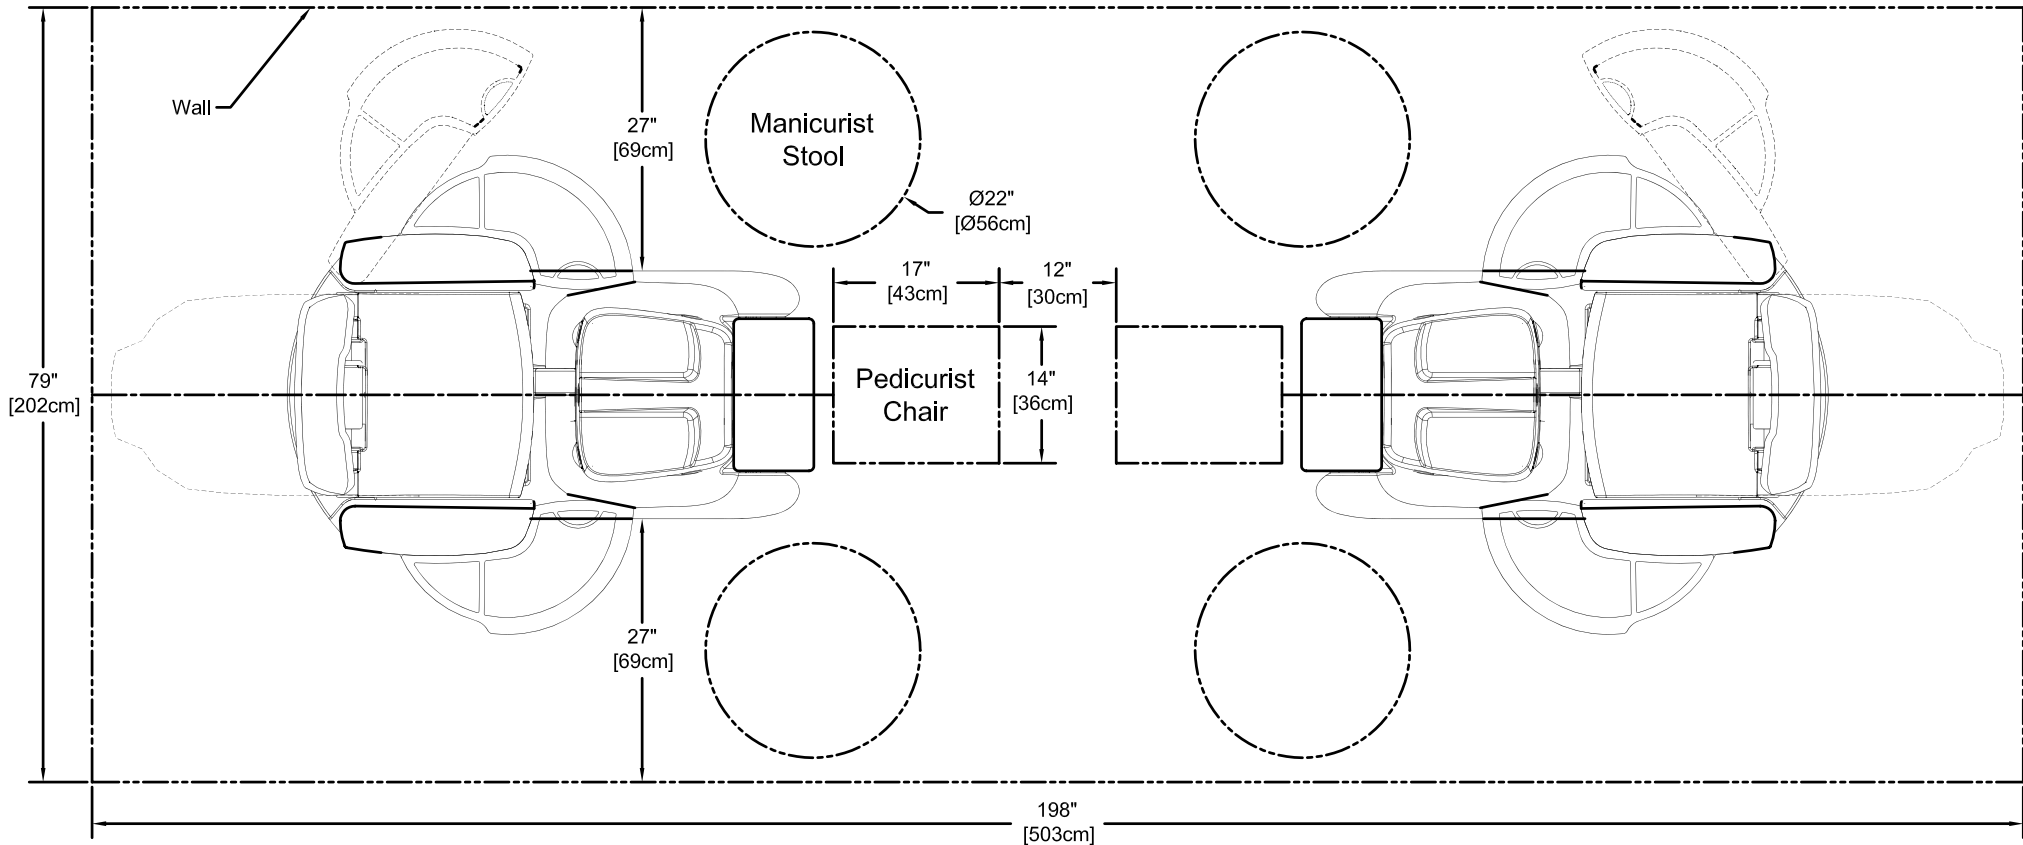

1. Minimum space based on average technician and client space requirements for workspace and entry / exit space. Allow more room if greater clearance desired.
2. Refer to detailed installation drawings, available in owner's manual, and on-line at www.europeantouch.com for required plumbing specifications.
3. Follow all local & state building safety codes for room egress.

Forte' Spa standard recline shown.

Forte' Spa (full recline): Add 7" [18cm] to the overall room depth, 108" [274cm]

Altera Spa: Take 6" [15cm] off of the overall room depth, 95" [241cm]
