

# Omni Spa

Affordable. Stylish. Smart.

The Omni Spa combines the features nail technicians and salon owners want in one economical package. Let your client sit back and relax while dual vibration and roller massage soothe away tense muscles. Soft, comfortable seat swivels for easy entry and exit from the service, and is easily adjustable. The fully adjustable pipeless hydro jet offers a therapeutic massage to soothe and cleanse the feet, and the very simple components allow for fast and effective cleaning between appointments. Fully adjustable footrest accommodates both the client and the nail technician. There is an additional integrated footrest in the tub that also helps position the feet for added comfort and efficiency. All of this and the smaller footprint, make this an ideal spa for a variety of spaces.
